Computing and Software 734
Formalized Mathematics
Fall 2006

Exercise 8
50 pts.
Due 11 December 2006

Assigned: 13 November 2006
Revised: 13 November 2006

Do this exercise with your group.

Do as much as possible of Exercise 7 using your chosen theorem proving system instead of IMPS. If you cannot do a part of Exercise 7, explain why and substitute an exercise of your own choosing for that part.
