Winter 2008

Exercise 9

50 pts.

Due 9 April 2008

Assigned: 7 March 2008

Revised: 7 March 2008

Do this exercise with your group.

Do as much as possible of Exercise 8 using your chosen theorem proving system instead of IMPS. If you cannot do a part of Exercise 8, explain why and substitute an exercise of your own choosing for that part.
